

# HWANGE HORSEBACK SAFARIS

## Three day itinerary

### DAY 1

Arrive at Victoria Falls Airport where you will be met by your transfer guide and vehicle to bring you to Miombo Safari Lodge. The transfer is usually around 2 hours long allowing for you to see some of Zimbabwe's towns and landscapes.

Upon arrival you will be greeted with a welcome drink and after settling into your tented accommodation you will have either a late lunch or snacks from the comfort of the dining area.

You will then be shown to the stables where you will have a safety briefing and a familiarisation with the horses and the staff. Depending on the time of your arrival there is the option to have a guided walking safari, or go on a game drive.

You will then have sun downer drinks and snacks followed by dinner at the main lodge.

### DAY 2

On your first morning you will wake early for tea and coffee around the campfire. You will then be served a continental style breakfast before heading down to the stables for your first ride with us.

This will be an incredible morning looking for game, tracking animals and weather permitting having a quick horse swim in a nearby waterhole. You will have a light lunch whilst out on your ride and aim to return to the stables mid afternoon.

Once back in the stables you will have a siesta period where you can recharge your batteries or simply enjoy all that the bush has to offer from the comfort of the lodge. You will then depart for your sun downer game drive where drinks and snacks will be offered before returning to the camp for dinner.

Depending on your travel / flight plans.

An early continental style breakfast will be served in Camp before heading out on an exciting ride through the African Bush, where you will likely have the chance of spotting various types of game and get to stop at a nearby waterhole for a coffee break. Stretch your legs and then hop back on for the remainder of the ride.

Once back in camp you will have a moment to pack and freshen up before your transfer out of camp.

With lasting memories and new friends made its time to say goodbye to Hwange Horseback Safaris and be transferred onto your next adventure!
