

# HWANGE HORSEBACK SAFARIS

## Five day itinerary

Arrive at Victoria Falls Airport where you will be met by your transfer guide and vehicle to bring you to Miombo Safari Lodge. The transfer is usually around 2 hours long allowing for you to see some of Zimbabwe's towns and landscapes.

Upon arrival you will be greeted with a welcome drink and after settling into your tented accommodation you will have either a late lunch or snacks from the comfort of the dining area.

You will then be shown to the stables where you will have a safety briefing and a familiarisation with the horses and the staff. Depending on the time of your arrival there is the option to have a short induction ride to work out horse and rider pairing for the next few days.

You will then have sun downer drinks and snacks followed by dinner at the main lodge.

## DAY 1

On your first morning you will wake early for tea and coffee around the campfire. You will then be served a continental style breakfast before heading down to the stables for your first ride with us.

This will be an incredible morning looking for game, tracking animals and weather permitting having a quick horse swim in a nearby waterhole. You will have a light lunch whilst out on your ride and aim to return to the stables mid afternoon.

Once back in the stables you will have a siesta period where you can recharge your batteries or simply enjoy all that the bush has to offer from the comfort of the lodge. You will then depart for your sun downer game drive where drinks and snacks will be offered before returning to the camp for dinner.

## DAY 2

## DAY 3

An early continental style breakfast will be served in Camp before heading out on another exciting ride through the African Bush. Where you will likely have the chance of spotting various types of game and get to stop at a nearby waterhole for a light lunch. Stretch your legs and then hop back on for the remainder of the ride.

You will be back in camp late afternoon for a siesta or a cup of coffee overlooking the waterhole before heading off for your evening game drive. Dinner and drinks will be had back at the lodge around the campfire. You will then retire to your tents, where the choir of the African bush will sing you to sleep allowing you to rest up for tomorrow's activities.

Waking up at sunrise for tea and coffee around the camp fire followed by another delicious breakfast.

Whilst soaking up the soft rays of sun as the day breaks on the horizon, you will mount your horse and ride out to see what life the night before has brought to the area. After a lovely long last ride through the incredible Savannah vlei you will return to the lodge for lunch.

## DAY 4

After lunch there will be a chance to relax and recoup possibly popping into the pool for a swim, before heading out on foot with one of our incredible guides.

This afternoon's activity holds hopes of close encounters with game from a safe distance on foot. A vehicle will be close by and you will hop on and hop off to track the game appropriately with your qualified and extremely knowledgeable guide.

Stopping off for a thirst quenching sun downer and to toast your last sunset - until next time! Returning to the lodge for dinner and drinks around the fire.
