DAY 1

Arrive at Victoria Falls Airport where you will be met by your transfer guide and vehicle to bring you to your accommodation with Hwange Horseback Safaris. The transfer is usually around 2 hours long allowing for you to see some of Zimbabwe's towns and landscapes.

Upon arrival you will be greeted with a welcome drink and after settling into your accommodation, you will then be shown to the stables where you will have a safety briefing and a familiarization with the horses and the staff. Time of arrival dependent- you will go on an evening sundowner riding safari, looking for animals and soaking in Hwange in all of its glory!

Whilst out on your ride you will have sundowner drinks and snacks and return to the lodge thereafter for dinner.

DAY 2

On your first morning you will wake early for tea and coffee around the campfire. You will then be served a continental style breakfast before heading down to the stables for your full day ride with us.

This will be an incredible morning looking for game, tracking animals and weather permitting having a quick horse swim in a nearby waterhole. You will have a light lunch whilst out on your ride and aim to return to the stables mid afternoon.

Once back in the stables you will have a siesta period where you can recharge your batteries or simply enjoy all that the bush has to offer from the comfort of the lodge. You will then depart for your sun downer game drive where drinks and snacks will be offered before returning to camp for dinner.

DAY 3

This morning is spent with a leisurely wake up call allowing for a good nights rest after a jam packed itinerary of rides and drives, breakfast will be had in camp before you depart.
