

# HWANGE HORSEBACK SAFARIS

## Seven day itinerary

### DAY 1

Arrive at Victoria Falls Airport where you will be met by your transfer guide and vehicle to bring you to your accommodation. The transfer is usually around 2 hours long allowing for you to see some of Zimbabwe's towns and landscapes.

Upon arrival you will be greeted with a welcome drink and after settling into your lodge accommodation you will have either a late lunch or snacks from the comfort of the dining area.

You will then be shown to the stables where you will have a safety briefing and a familiarisation with the horses and the staff. Depending on the time of your arrival there is the option to have a guided walking safari, or go on a game drive.

You will then have sun downer drinks and snacks followed by dinner at the main lodge.

### DAY 2

On your first morning you will wake early for tea and coffee around the campfire. You will then be served a continental style breakfast before heading down to the stables for your first ride with us.

This will be an incredible morning looking for game, tracking animals and weather permitting having a quick horse swim in a nearby waterhole. You will have a light lunch whilst out on your ride and aim to return to the stables mid afternoon.

Once back in the stables you will have a siesta period where you can recharge your batteries or simply enjoy all that the bush has to offer from the comfort of the lodge. You will then depart for your sun downer game drive where drinks and snacks will be offered before returning to the camp for dinner.

### DAY 3

Today will begin differently, an early continental style breakfast will be served in Camp before heading out on either an exciting ride through the African Bush or on a full day game drive through Hwange National Park! On either activity you will have the opportunity to get acquainted with the flora and fauna of Zimbabwe's largest national park.

You will be back in camp late afternoon / evening for a siesta or a cup of coffee overlooking the waterhole before heading off for your evening game drive, this is if you chose the ride option. If you chose the drive option you will likely still be on your full day drive.

Dinner and drinks will be had back at the lodge around the campfire.

You will then retire to your tents, where the choir of the African bush will sing you to sleep allowing you to rest up for tomorrow's activities.

# DAY 4

Waking up at sunrise for tea and coffee around the camp fire followed by another delicious breakfast.

Whilst soaking up the soft rays of sun as the day breaks on the horizon, you will mount your horse and ride out to see what life the night before has brought to the area. After a lovely long ride through the incredible Savannah vlei you will return to the lodge for lunch.

After lunch there will be a chance to relax and recoup possibly popping into the pool for a swim, before heading out on foot with one of our incredible guides.

Stopping off for a thirst quenching sun downer after an incredible walk through the African bush. Returning to the lodge for dinner and drinks around the fire.

# DAY 5

After a well deserved lie in, today is up to you! With either the opportunity for another full day ride or a visit to one of our nearby conservation or community projects to make the most of your trip to Hwange National Park!

We will have a late cooked breakfast regardless and either set off on a ride for the rest of the day or break it into two and have a shorter ride and visit one of the projects later on in the day- the choice will be entirely yours!

Late afternoon you will go on a game drive stopping off for an early dinner by candlelight at a nearby waterhole.

After dinner you will have a short "night drive" enroute back to camp.

# DAY 6

An early continental style breakfast will be served in Camp before heading out on another exciting ride through the African Bush. Where you will likely have the chance of spotting various types of game and get to stop at a nearby waterhole for a light lunch. Stretch your legs and then hop back on for the remainder of the ride.

You will be back in camp late afternoon for a siesta or a cup of coffee overlooking the waterhole before heading off for your evening game drive. Dinner and drinks will be had back at the lodge around the campfire.

As the end to your trip draws near, you will head off to your tent for one last night with Hwange Horseback Safaris.

# DAY 7

Depending on your travel / flight plans.

You will be served a delicious full English breakfast or brunch for our last meal together.

There is a possibility for one last ride, time dependent.

With lasting memories and new friends made its time to say goodbye to Hwange Horseback Safaris and be transferred onto your next adventure!
